Curricular Practical Training (CPT)

- What is CPT?
- Eligibility
- Regulations
- Limitations
- Registration Requirements
- Application Process
- Questions
What is CPT?

- Curricular practical training is an integral part of an F-1 student’s established curriculum which allows them to engage in experiential training in any type of required or optional experience.
  - This may include but is not limited to paid and unpaid/volunteer, part-time and full-time, on-campus and off-campus internships, co-ops, practicums, rotations, clerkships, externships, clinical, field experience, etc.
- Must count towards degree requirements.
- CPT is done DURING your degree program, BEFORE you complete your academic requirements (coursework, electives, credits, thesis/dissertation, etc).
- You are still an F1 visa holder while on CPT.
CPT Eligibility

- To be eligible, you must have:
  - Been enrolled as a full time (12 credits undergrad, 9 credits grad) student for at least one full academic year of study (fall and spring semesters only*) in your current degree level
  - Maintained legal immigration student status
  - Be registered for CPT internship credits; credits must count towards degree completion
  - Been formally offered and accepted an internship

*summer semesters are considered vacation time for international students and do NOT count toward full academic year of study.
CPT Regulations

- To qualify for CPT, the work/training, etc. must be:
  - An “integral part of established curriculum”
    - Required of all students within the program of study, or
    - Optional for specific course or curriculum track and will fulfill elective credits that will count towards meeting the total number of credits designated by the program of study
  - The training or work is necessary to allow the student to conduct research for completion of the thesis or dissertation (Thesis-Master’s or Doctoral students)
  - An official internship or practicum experience – meaning your department must be willing to assign credits in order for your ISA to authorize the CPT

- CPT is done DURING your degree program, BEFORE you complete your academic requirements (coursework, electives, credits, thesis/dissertation, etc.)

  - You cannot extend your academic stay for CPT, unless your department REQUIRES the CPT at the end of your coursework)
CPT Regulations, continued

- MUST work/train in a position directly related to your field of study
- Authorized for a specific employer, location and period approved in SEVIS
- Can be approved for part-time (20 hours or less) or full-time (over 20 hours)
- Is available *up to* 364 days (full-time) for each higher degree level earned.
- WILL cause you to LOSE your OPT if you reach or exceed 365 days of full-time CPT*
- Part-time CPT, does not count toward 12-month CPT maximum and does not affect the OPT
CPT Limitations

- You are allowed to do CPT for *up to* 364 days, but
  - It will only be authorized per semester
  - You MUST be registered accordingly before it can be authorized

- For a REQUIRED internship, you may be registered full time, if required by the academic department

- For an OPTIONAL internship, whether or not you may take additional credits depends on if the work/training is part time or full time (see CPT Registration Requirements, slide 9)
  - If the work/training is part time, you are required to enroll full time
  - If the work/training is full time, you are not required to enroll in additional course credits, but may register for up to 3 online/EDGE credits.
GRADUATE Students on Assist/Fellowships:

You can work on-campus, without the need for CPT, if and only if the hours on-campus and the hours of your assistantship/fellowship TOTAL 20 hours or less per week

For Example:

- .50 FTE = 20 hours, therefore NO additional hours allowed without the need for CPT authorization
- .33 FTE = 13.5 hours, therefore additional 6.5 hours allowed without the need for CPT authorization
- .25 FTE = 10 hours, therefore additional 10 hours allowed without the need for CPT authorization

If the additional hours on-campus combined with your assistantship/fellowship exceed 20 hours/week, you must apply for and receive CPT authorization prior to starting

If the employment/training, etc. is off campus, no matter the number of hours, whether paid or unpaid, you must apply for and receive CPT authorization prior to starting

Register for the appropriate credits before applying for CPT

If you cannot receive course/research credits for the work experience, CPT cannot be authorized.

Appropriate types of credits that can be assigned for CPT include specific internship course credits, independent study credits, or research credits (if a specific internship course is not available).

Apply online prior to start of internship; should apply at least 7-10 days prior to start date.
You must receive authorization on your I-20 prior to beginning any training/work!

- You **must not** engage in any training/work without previously getting CPT approval to do so.
- Failure to obtain CPT approval before beginning any training/work activity which requires CPT authorization will result in you falling out of status, with **serious consequences**.

  - Required Reading,
  - Attached Documents,
  - Questionnaire(s),
  - Recommendations, and
  - Signature Documents

Instructions
Curricular Practical Training (CPT) is alternate work/study, internship, cooperative education, clerkship, or optional/required internship or practicum, available only while you are in F-1 status, before completion of the educational objective. There are two CPT options: full-time (over 20 hours) and part-time (20 hours or less). Full-time CPT of one year (365 days) or more will cause you to become ineligible for Optional Practical Training (OPT); part-time CPT does not affect OPT eligibility. Please note that this includes any full-time internships or clerkships that are required by the program. Check the academic program requirements carefully prior to engaging in optional internships.

Please make sure you have reviewed all of the comprehensive information regarding CPT on the UFIC website.

For questions regarding any type of practical training and required authorization, you should contact your assigned ISA.

Optional Practical Training (OPT)

PART 1:
- What is OPT?
- OPT Facts
- Three Types of OPT
  - Pre-Completion
  - Post-Completion
  - STEM Extension OPT
- Applying for OPT
- OPT Reporting & Travel Requirements
Optional practical training is temporary employment authorization that allows F-1 students to gain practical work experience (on- or off-campus) by applying their academic knowledge to a position directly related to their area of study.

- **Standard OPT**
  - Pre-Completion OPT
    - Available to all majors
  - Post-Completion OPT: 12 Months
    - Available to all majors
STANDARD OPT Facts

- To be eligible, you must:
  - have completed at least one full academic year of study (fall and spring semesters only*),
  - have maintained legal immigration student status,
  - work in a position directly related to your field of study,
  - be in the U.S. to apply.

- You do not need to have a job before you apply.

- You can work on OPT before you graduate (pre-completion OPT) or after you graduate (post-completion); however, the guidelines are slightly different for each.

*summer semesters are considered vacation time for international students and do NOT count toward full academic year of study.
STANDARD OPT Facts, continued

- May not exceed 90 aggregate days of unemployment
- OPT is obtained through the US Citizenship and Immigration Service (USCIS).
- You are only eligible for 12 months of full-time OPT for each higher degree level earned.*
- If your OPT is approved you will be issued an EAD card, which you must have BEFORE you begin working.
- Application fee for OPT is currently $410.
STANDARD OPT: Pre-Completion

- Pre-completion OPT is granted to students who will work BEFORE graduation or program completion.
- Your OPT cannot begin until after you have completed your first year of full time study (fall and spring semesters).
- After you have completed the first academic year, the earliest you can apply for OPT is 90 days before you wish to begin working.
- You must choose the start date for the OPT card at the time you apply.
Since you are working on OPT while you are still in school, you must be enrolled full-time (12 credits undergraduate/ 9 credits graduate).

You can only work 20 hours per week except during breaks from school, when you can work 40.

The time you work using pre-completion OPT takes away from the 12 months total OPT, deducted at a 50% rate.*

i.e.: If you work 4 months using pre-completion OPT, you will have taken away 2 months of post-completion OPT, leaving you with only 10 months of post completion OPT.
Post-completion OPT is granted to students who will work AFTER graduation/degree completion.

You choose the date you wish to begin working.

- Start date MUST be within 60 days of graduation

You *should* apply for OPT BEFORE you graduate/finish coursework* or Clear Prior**

The earliest you can apply for post-completion OPT is 90 days before your graduation or completion date.

You must work *at least* 20 hours or more per week.
USCIS does allow OPT application during the grace period, BUT the application MUST be at the USCIS office BEFORE the grace period is over and you must still choose an OPT start date within the grace period. The application will still require 60-90* days processing time.

*Currently taking USCIS 90-120 days to process

** Clear Prior: ONLY for PhD or Thesis Master’s students
You will finish degree requirements before the beginning of the next semester, but will not actually graduate until the end of that next semester.
Standard OPT is NOT restricted to an E-Verified Employer

Volunteering

- USCIS allows volunteering on Standard OPT; counts toward maintaining status
- Must still be directly related to your major
- Must be at least 20 hours or more weekly
- Obtain a “Letter of Commitment/Volunteer” for your records
Apply for OPT

- Read the information carefully
- Click on the ISSS UF Login
- Click on Optional Practical Training (OPT) (F-M)

Application Process
Apply online with USCIS at: https://www.uscis.gov/i-765

- The receipt notice and the OPT card will be shipped to the address you provided on the I-765. Please scan and email a clear and legible copy of the OPT card to UFIC-ISS@ufic.ufl.edu when you receive it. Be sure to include your UFID number in the email.

If you cannot graduate/complete your program by the expected program end date on your OPT endorsed I-20, contact your ISA at UFIC BEFORE your I-20 expires to determine your options, if any.
Address Update, Employment Report, and Travel Requirements while on Standard OPT
Address Update

- You must update your address within TEN days of moving.
- You must provide a physical address location; it cannot be a P.O. Box.
- Places to update your address:
  - OneUF: https://internationalcenter.ufl.edu/international-students-scholars/additional-information/change-address
  - USPS: https://www.usa.gov/post-office
  - USCIS: https://egov.uscis.gov/coa/displayCOAForm.do
    - If you move while your application is pending
  - SEVP Portal
    - Check GatorLink account for link emailed to you after your OPT is approved
OPT Reporting Information

- **SEVP Portal:** If OPT is approved, you will receive email from SEVP regarding the SEVP OPT Portal on or around the start date on the OPT Card
  - The email will have a link to create your portal account. You must create the account within 14 days of receiving the email.

- You must create and use the SEVP Portal account to report your information while on OPT
  - Update your **personal information:** home address, phone number, email, etc.

- Any SEVP Portal issues, send email to **UFIC-ISS@ufic.ufl.edu** and include your UFID#
OPT Reporting Information

- You must report your employment within **10 days** of your employment start date

- **Update your employment information:**
  - Employer/Company Name
  - Employer/Company Address
  - Job Title
  - Full/Part time (must work at least 20 hours/week which is considered full time)
  - Employment Start Date (the day you started the job),
  - Employment End Date (the day you ended the job, if your job offer has an end date or if you are ending one job and starting a new one)

- “Relation to Field of Study: Explain how this job directly relates to the degree that qualified you for this OPT.”

- Describe 3-5 of your job duties and explain how the employment is directly related to your major field of study.

- Aim for 3-4 sentences, written as paragraphs, rather than list/bullet points.
Travel During OPT

- You are still on an F1 Student Visa
- Traveling out of the US is always risky, but if you choose to do so, in order to return to the U.S. you must have
  - Valid Passport (valid at least 6 months beyond entry date)
  - Valid F1 Student Visa
  - I-20 (which has been endorsed for OPT)
  - Valid travel signature (valid for 6 months from date signed)
  - Employment Authorization Document (EAD/OPT card)
  - Letter of Employment (on employer’s letterhead, stating your name, job title, brief description of duties, and a general idea of OPT start date; if you have already started, a letter confirming employment and knowledge of your travel plans)
  - 2-3 recent pay stubs

*Dependents must have their own I-20, passport, F2 visa and copy of the F1’s I-20, OPT card and employment letter

**Not recommended to travel once I-20 expired and OPT is still pending

PART 2:

- What is STEM OPT Extension?
- STEM OPT Extension Eligibility
- Application Process

Address Update, Employment Report, & Travel Requirements
OPT STEM Extension Eligibility

- Available only to students who graduated with a U.S. Bachelor, Master, or Doctorate degree in a STEM (Science, Technology, Engineering, or Mathematics) major (refer to the CIP code listed on your I-20) on the DHS approved STEM Degree List

- Can apply based on any previous STEM degree from an SEVP, accredited U.S. institution within the last 10 years immediately prior to your application.

- Available twice per student’s lifetime
OPT STEM Extension Eligibility, continued

- Must work in a paid position directly related to your major area of study.
- The employer must be registered in the [USCIS E-Verify Program](https://www.uscis.gov/e-verify) with a valid E-Verify number, EIN number, be willing to complete the [Form I-983](https://www.uscis.gov/i-983), and abide by the [Employers: STEM OPT Reporting Requirements](https://www.ice.gov/opt#Reporting-

- The student must agree to make periodic reports to the ISA every 6 months, or within 10 days of any changes in employment, home address, or name.
STEM OPT Eligibility, continued

- Must be on a currently authorized, unexpired period of Standard Post-completion OPT
- Must be in the U.S. to apply.
- The earliest you can apply for STEM OPT is 90 days before your Standard Post-completion OPT expires
- Begins on the day after the expiration of the standard post-completion OPT employment authorization and ends 24 months thereafter.

  - For example:
    - Standard OPT: 12/25/2021 – 12/24/2022
    - 24-Month OPT STEM Extension: 12/25/2022 – 12/24/2024
Limited Periods of Unemployment to Maintain Status

During standard post-completion OPT, F-1 status is dependent upon employment.

May not exceed 90 aggregate/cumulative days of unemployment during the standard post-completion OPT

Students granted a 24-month OPT extension may not exceed an additional aggregate of 60 or more days of unemployment, for a total 150 days of unemployment during the total 36-month OPT/STEM OPT period.

Employment Type Restrictions

- Must be **bona fide** employees of the employer signing the Form I-983 Training Plan, and the employer that signs the Training Plan must be the same entity that employs the student and provides the practical training experience.

- Types of employment which do not constitute bona fide employment:
  - volunteer/unpaid position,
  - self-employment/entrepreneurial arrangements,
  - sole proprietorship,
  - multiple employer arrangements,

- Allowed two employers, 20 hours/week at EACH, minimum, both paid

- employment “through” (vs. “at”) temp/staffing agencies are not encouraged

- employment through consulting firm arrangements that provide “work/labor for hire,” (also known as 1099 employment) and

- other relationships that do not constitute a bona fide employer-employee relationship.

Your ISA will then input the 24-month STEM extension request in SEVIS and produce a new I-20 for you.

The STEM OPT I-20 will be provided to you to submit your application online with USCIS.

Applications for the 24-month STEM extension must be receipted by USCIS BEFORE your standard OPT card expires.

Students who file a timely application for the 24-month OPT extension will be able to continue employment while the extension application is pending, until a final decision on the I-765 or for 180 days, whichever comes first.

STEM OPT Reporting Info

- SEVP Portal may be used to update your **personal information**: home address, phone number, email, etc.

- The SEVP Portal is not to be used by students on STEM OPT to update a change in employer.
  
  - Must first report your employment info to your F-1 Advisor/DSO using the [OPT Reporting Form](#) and the [I-983 Form](#). After the F-1 Advisor/DSO has reviewed and entered the employment info in SEVIS, you may use the SEVP Portal to update minor details regarding the specific STEM OPT employer that the F-1 Advisor/DSO has already entered in SEVIS.

- If anything you wish to update in the portal differs from what was entered on the OPT Reporting Form and I-983 Form other than your own personal info, you must provide a new [OPT Reporting Form](#) and the [I-983 Form](#) to your F-1 Advisor/DSO, who will then review your updated documents and update SEVIS directly.

- This will result in an updated I-20. You will be asked for mailing instructions when the I-20 is ready.
