Completing Form I-983
Guide to be used by student when completing Section 1 of Form I-983

The purpose of this guide is to help the student complete Section 1 of the Form I-983 correctly. This information has been adapted directly from the Form I-983 Instruction page. Revisions have been included where appropriate to clarify information as it pertains to students who are on currently OPT/STEM OPT upon completion of a degree earned at the University of Florida. The student should also refer to the formal Form I-983 Instruction page for further guidance on completing the remainder Form I-983. Any student or employer questions regarding completing all other sections of Form I-983 should be directed to SEVP@ice.dhs.gov.

Section 1: Student Information (Completed by Student):
- **Student Name:** Enter your full name (Surname, Given Name) exactly as it appears on your Form I-20.
- **Student Email Address:** Enter the email address where you can be contacted.
- **Name of School Recommending STEM OPT:** You may find this information in the “School Information” section of your Form I-20; enter the name of the school exactly as it appears on the Form I-20.
- **Name of School Where STEM Degree Was Earned:** If your degree was earned from the University of Florida, the information is same as above; if your application is based on a prior STEM degree not from the University of Florida, enter the name of the school that awarded the degree.
- **SEVIS School Code of School Recommending STEM OPT:** You may find this information in the “School Information” section of your Form I-20; enter the school code exactly as it appears on the I-20 (including the 3-digit suffix).

- **Student SEVIS ID Number:** Enter your SEVIS ID number, found on top left hand side of your Form I-20.
- **STEM OPT Requested Period:** Enter the period during which you are requesting to work on STEM OPT (regardless of whether the authorized dates match actual training dates).
  - **If you are currently on the 12-Month Post-Completion OPT,** the start date entered here should be the day immediately following your current OPT end date. For example, if your current EAD ends May 15th, then your start date is May 16th.
  - **If you are currently on the 17-Month STEM OPT,** the start date entered here should be on or before your application is filed with USCIS. For example, if you anticipate that your application will reach USCIS on or about June 30th, then your start date should be no later than June 30th. The end date should be 7 Months from the current STEM OPT EAD end date. The F-1 student and the student’s employer will be subject to the terms and conditions of the Form I-983 as of the date of receipt at USCIS and thus the requested period should identify a start date on or before proper filing at USCIS.
- **Qualifying Major and Classification of Instructional Programs (CIP) Code:** Enter your STEM major that qualifies you for the STEM OPT extension, as well as the degree’s (CIP) code. You may find this information on the “Program of Study” section of your Form I-20. - **Based on Prior Degree?** Check “Yes” if your STEM OPT participation is based on a previously-obtained STEM degree, and is not the same degree upon which your current post-completion OPT was granted. Check “No” if your STEM OPT participation is based on your most recently obtained degree, and that is the degree upon which your current post-completion OPT is based.
- **Employment Authorization Number:** Enter your “A” number, which is noted on your Employment Authorization Document (EAD) card.

If you have questions about completion of Section 1 information, not addressed in this guide, please contact your DSO for guidance.

I understand that the law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

I certify on behalf of the employer that this Training Plan for STEM OPT Students ("Plan") is approved and that:

1. I have reviewed and understand this Plan, and I will ensure that the supervising Official follows this Plan;
