

# Looking for Research Dollars?

Two Online Resources to Find Funding

## PIVOT™

Login with your gator credentials and gain access to the most comprehensive catalog of funding sources from around the world. Register for alerts when opportunities meeting your specific criteria are posted you will receive notification. For first time users, sign up before you login.

- Select Advanced Search to enter key search terms and activity location.
- To specify an international location for study, select the More Locations link to open a box to browse listings of valid location terms. The Activity Location browser includes continents and political or geographic groups (e.g., UN, NATO, Commonwealth), as well as individual nations. Click on the folder or the symbol to see a list of more specific terms.
- Once the search results are generated, use the filters on the left to narrow your list further.
- Save your search to receive email alerts and to revisit your list. Access your saved search from the home page.

## Philanthropy News Digest

A clearinghouse of Requests for Proposals (RFPs) from the non-profit sector. Search using keywords. Register for email alerts. The Pivot search engine (above) will generate almost all of the active funding announcements listed in this resource. The articles are worthwhile and provide key insights into funding trends.
