

Florida Prepaid College Plan - Request Form for Study Abroad

If you are a recipient of Florida Prepaid College Plan, complete and return this form if you are attending:

- Independent program or UF program for transfer credits you will be earning
- Any program and have the dorm benefit plan that you wish to receive for the study abroad term

Students earning **UF credits** will receive their prepaid tuition through the Bursar's Office, as if they were attending classes on campus.

Students attending another **State University System of Florida (SUS)** study abroad program must contact that university to invoice for their prepaid benefits. If you do choose to complete this form and return to UF study abroad, then we can verify with Host institution and avoid duplicated invoicing.

Please fax, mail or deliver to UFIC (Att: Linda Gritman). For questions, email lgritma@ufic.ufl.edu

I have a Florida Prepaid account and request that Florida Prepaid College Plan be billed for the appropriate benefits by Study Abroad Services (SAS) of the University of Florida International Center for my study abroad tuition fees and/or housing benefits. This office only bills for transfer courses and housing benefits that are not paid to a State University System university in Florida. Study Abroad Services cannot bill Florida Prepaid for any additional hours over the actual study abroad hours certified with the UF Registrar's Office.

Please bill Florida Prepaid for #_____ transfer credit hours of tuition that I will be earning on my study abroad program. The amount per credit hour will be at the same rate that the student received through the Bursar's office for the previous term.

I have checked this box because I have the Florida Prepaid dorm plan and I wish you to invoice for one term of dorm benefit while I am on my study abroad program. The amount of dorm benefit for a term can vary depending on what year the plan was purchased, but should be at least \$2377.00.

These benefits will be applied to any balance due on UF program fees or CISI insurance Invoice first and the balance will be sent in a paper check to the following address:

Street: _____

City: _____ State: _____ Zip: _____

I hereby understand and agree with the aforementioned information. I understand that my Florida Prepaid College Plan benefits can take **6-8 weeks after the start of my program to disburse.**
